The following revisions to the specifications and drawings shall become a part of the above-referenced contract documents.

**MODIFICATIONS AND ADDITIONS TO PLANS
SPECIFICATIONS AND CONTRACT DOCUMENTS**

1. REVISED BID FORM-LINEAR GRADING SPECIFICATION

Attached is the Revised Bid Form.

Only Change is:

The Specification for Linear Grading is FP14 Section 212 not FP14 Section 213.

All Quantities remain the same.

2. POINT OF SAMPLING – AGGREGATE BASE COURSE

Modification to:

FP-14 Table 301-1 – Sampling, Testing and Acceptance Requirements Base Course Grading C, D, E.-Point of Sampling

Aggregate Base Course can be sampled at the Crusher Plant/Point of Origin instead of Windrow or Roadbed after processing.
